

Craft this miniature version
of the awesome
Amur Falcon

Click [here](#) to see how it flies!

You need...

Scissors

1 x A4 cardboard (160g)

1 x A4 cardboard (200g)

Glue or sticky tape

2 Craft sticks

How to...

Print the templates of the 2 birds onto 200g A4 cardboard.

Cut out the birds and glue together.

Print the templates of the wings on both sides onto 160g A4 cardboard (back to back).

Cut out the template of the wings on the top side and fold downwards on the white dotted lines.

Glue the wings onto the bird's body guided by the white dotted lines on the body.

Then glue 2 craft sticks on either side of the body.

Move the bird up and down to see how it flies!

Tips..

Decorate your bird with feathers.

Let your Amur Falcon rest in a pot plant!
