In compliance with the Protection of Personal Information Act (POPIA)  
The Humane Education Trust hereby notifies users of the  
Nature-Based Education platform that any information supplied by you  
on this form is for internal use only and will not be shared with any  
third parties or used for marketing purposes.

The number of users and lesson plan downloads are aggregated without  
any personally identifying information attached and periodically shared  
with our donors so that they can see how far our lesson plans reach  
and be inspired to continue their support.

This will allow the platform to continue to offer the lesson plans free of charge.
