

ACTIVITY

Make your own bird house!

Choose from these two samples...

Cut out the templates on cardboard paper and colour them in.
Fold on the dotted lines and glue together.
Stick the birds next to the hole so they can admire
their chicks, feed them and keep them warm.

TIPS

Glue some colourful feathers on the birds.
Use Prestik to put the bird house on your wall
or place it on your desk as a lovely decoration
or give it as a gift to someone special!
