NOTE OF APPRECIATION – 2024 PROVINCIAL READING FESTIVAL

Dear Publishers, Partners and Authors

The GDE Library Services sub-directorate would like to express our heartfelt gratitude and appreciation to our partners for participating in the Provincial Reading Festival held on 10th February 2024. Thank you for engaging our learners in reading related activities and the great effort toward the success of the event.

The festival was a resounding success and hopefully, reading has been promoted through the various reading activities offered by the GDE officials and the partners/ publishers. It is through such activities that we collectively develop a culture of reading in our schools, communities and in our country.

We look forward to collaborating with you again in future GDE reading events and celebrations.

Yours sincerely,

MS NONHLANHLA NYOVANE
