

Make this movable paper bird  
as colorful as you want!

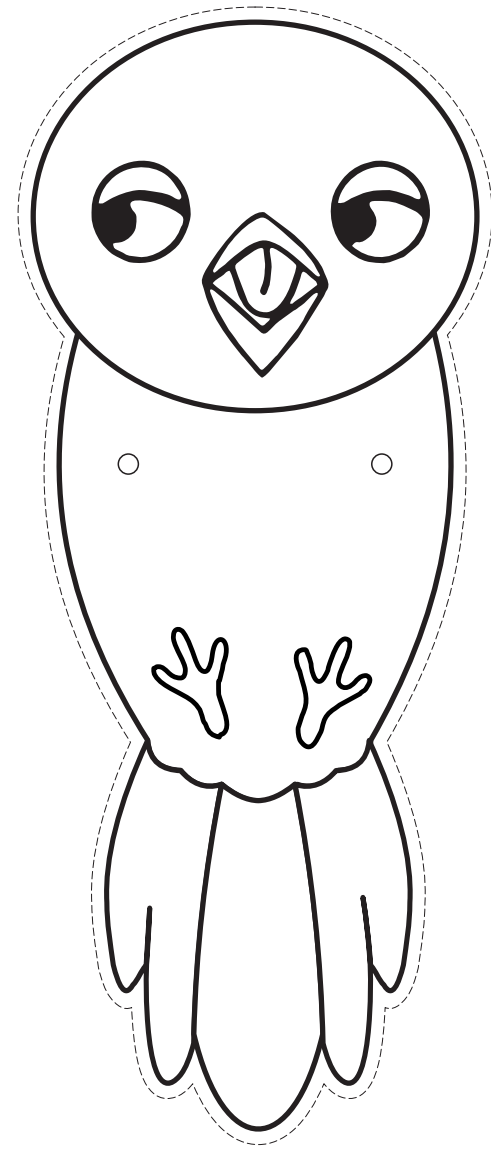

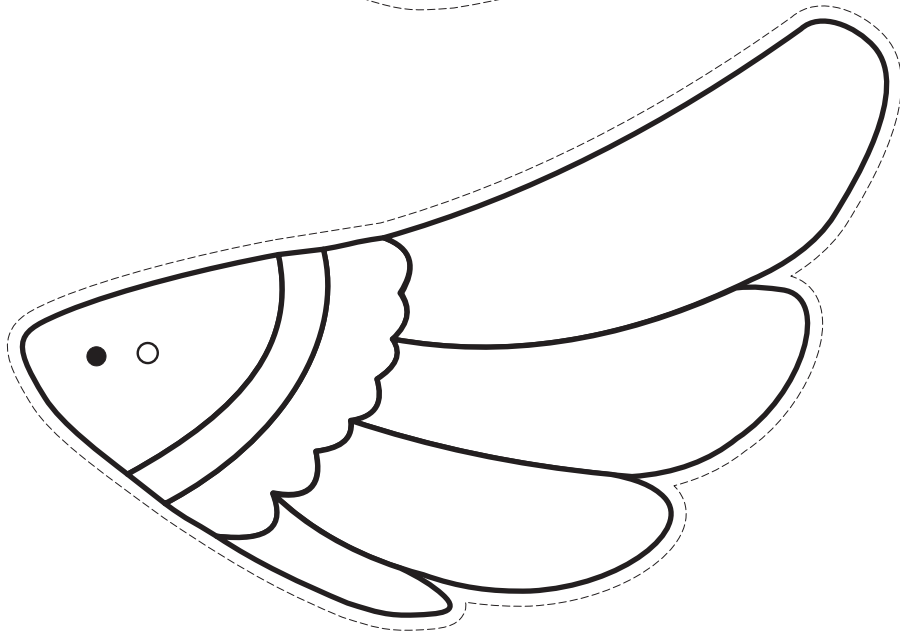

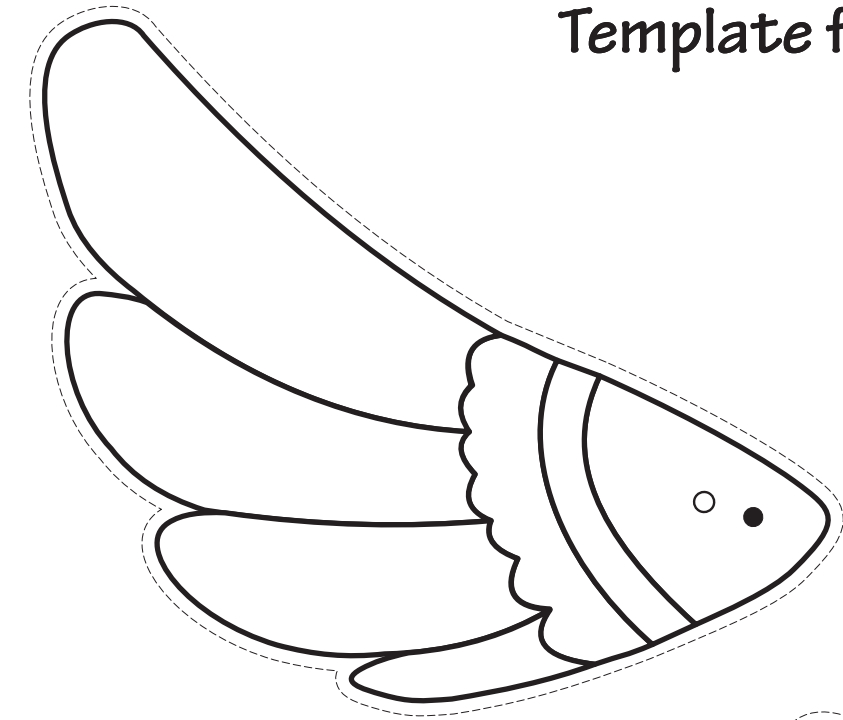

# HOW TO...

- 1 Print out the template on **250g white card stock** paper (not less than 200g). You could also use regular **paper** and **lamine**te the image.
- 2 **Cut out** images on the dotted lines and **colour in** the little bird **OR** use the colour template.
- 3 **Punch holes** on designated spots ○ and ●
- 4 **Push split pins** (paper fasteners) ✱ from the front through the designated holes ○ to secure the wings.
- 5 **Turn** bird **around**, facing the back.
- 6 **String thread** (craft cord) ✱✱ through designated holes ● and tie with a knot.
- 7 **Glue** a popsicle **craft stick** ✱✱✱ to the tail end.
- 8 **Decorate** with colourful **feathers**.
- 9 Give the little bird a **name** and **pull the thread** to make your bird flap it's wings!
